

Software Engineer (Full Stack Engineer)

DefendTex is an Australian owned Defence company with a strong focus on innovation, research and technology development. DefendTex services military and law enforcement communities around the world. At DefendTex, we value integrity, innovation, professionalism and passion. Our vision is to be a world leader in defence innovation.

DefendTex are seeking a Software Engineer (Full Stack Engineer) to join our team working on the development of cutting-edge Defence technologies. Specifically, the role will be focused on the development of our in-house suite of business intelligence tools.

Experience with the following skills is highly desirable:

- HTML, CSS, Javascript
- Python
- Relational Databases (MySQL, Postgres)
- ReactJS or Angular
- NodeJS
- Containerization (Docker)
- Linux/Unix

You need:

- Bachelor of Computer Science or equivalent
- Strives in a fast paced, dynamic work environment
- Eligibility to meet Baseline security clearance requirements
- Not be a prohibited person under Section 3 of the Firearms Act 1996 (Victoria)

A dynamic, agile and enthusiastic applicant who operates well in a multidisciplinary team environment will suit this role.

As a Defence security clearance is required for this role, applicants must be Australian citizens and eligible to obtain and maintain a Baseline clearance. To learn more about clearances please visit – <http://www.defence.gov.au/AGSVA>

Why us?

- Competitive remuneration
- Exciting projects and industry leading innovations
- Professional learning and development opportunities
- Working in a dynamic team environment with talented engineers
- Opportunity to work collaboratively with external research organisations and institutions

We are committed to ensuring diversity, inclusion and equality are embedded throughout our organisation for the benefit of our customers and our employees. We strive for a positive and engaging workplace where mental health and wellbeing are supported. We welcome applicants from all diverse backgrounds, including Aboriginal and Torres Strait Islander people.

If you are looking for a unique and exciting opportunity, we look forward to your application.

Interested?

If this sounds like you, are you're interested in applying for this exciting role, please send your CV and Cover Letter to our Head of People and Culture, Lauren McCleery at lauren.mccleery@defendtex.com
